

Immunotec's AUDIO/FAX ON DEMAND SYSTEM is at your service 24 hours a day, seven days a week, providing you with the audio and fax information you need to make your business grow! Whether you want to send a prospect to the audio system for opportunity or training information, listen to a replay of a recent conference call, get product information, hear testimonials, get details on the compensation plan or catch up on what's new on the Hotline Update, 888 830-4040 is the number to call. A broad range of fax documents is also available at the same number.

Contents subject to change.
